## Breaking Beautiful By Jennifer Shaw Wolf

Allie lost everything the night her boyfriend, Trip, died in a horrible car accident—including her memory of the event. She doesn't remember driving on the cliff road. She doesn't recall jumping from the truck just before Trip lost control. As their small town mourns his death, Allie is afraid to remember because doing so means delving into what she's kept hidden for so long, the horrible reality of their abusive relationship. When the police reopen the investigation, it quickly turns on Allie and her best friend, Blake, especially as their budding romance raises eyebrows around town. As the threats begin and the survivor's guilt takes over, Allie knows she must tell the truth. Can she reach deep enough to remember that night so she can finally break free?

Fans of dark contemporary stories will feel right at home in the hands of debut writer Jennifer Shaw Wolf as she takes them on an emotional ride through the murky waters of love, shame, and ultimately, forgiveness.

#### From the Inside Flap

Allie can't remember the night her boyfriend, Trip, died.

She knows they were driving on the cliff road.

That Trip lost control.

That she woke up later broken and bruised.

That somehow, she survived.

All Allie has left are the scars, a constant reminder of Trip. Not ready to face the truth, she tries to ignore a nagging feeling that the crash wasn't an accident. Her best friend, Blake, and her brother, Andrew, will do anything to help Allie move on but when the police reopen the investigation into the crash, suspicions in their small town intensify. Soon Allie's memories collide with a dark secret about Trip she's kept for too long. Caught somewhere between her past and her future, can Allie find the truth so she can finally break free?

#### From the Back Cover

Praise for *Breaking Beautiful*

"A mystery, a tragedy, a love story--Jennifer Shaw Wolf draws you in and keeps you guessing until the very last page."--Holly Cuppola, author of *Tell Me a Secret* and *Don't Breathe a Word*

"A gripping journey from despair to hope."--Angela Morrison, author of *Sing Me to Sleep*

I can still see his face, the way he tilted his head. How excited he was for me to see the gift. The pain spreads from the back of my head, cuts across my right temple and curls around the smaller scar above my eye.

I'm saving something special to give you on your birthday.

My whole head throbs.

It hurts too much to remember.
