Editorial Review

From the Back Cover

Take the mystery out of the Common Core State Standards and help your child succeed! Schools in most U.S. states have adopted Common Core State Standards for English Language Arts and Mathematics, raising the bar for student achievement.

What are these new learning standards, and how can you help your child succeed in today's standards-based classroom? Discover the answers inside Common Core Language Arts and Math. This parent-friendly workbook provides all the resources you need to support your child's learning at school this year.

Resources in this book include: An easy-to-understand explanation for each Common Core standard in your child's grade level, plenty of practice activities so your child can review and improve each Common Core skill, and fun extension activities for helping your child at home.

Users Review
