**SALE--Book 1 is FREE! Series can be read out of order, but recommended chronological reading order is 1-2-4-3.**

**Feisty, stubborn, and bored with life in Texas, Anne Best is about to get more than she bargained for.**

The lovely widow heads off to the Big Apple for a job interview, expecting no more than a few days adventure in New York City, only to find herself with a new job working for the most infuriating man she's ever met.

Billionaire Steven Gherring is one of New York's Most Eligible Bachelors, and he has every intention of staying that way. But Gram has other ideas. She's on a not-so-secret campaign to find a wife for her grandson.

As fearless as she is clumsy, Anne tackles every challenge (including her new boss) enthusiastically, with two lone exceptions... public speaking and recognizing her own feelings. Passions rise along with hemlines as Gram joins forces with Anne, a veteran matchmaker, to find the perfect match for Steven.

"If you like Hallmark movies, you'll love The Best Girls!"

"It may not be realistic, but I wished it could actually happen."

#### About the Author

Tamie lives with her very romantic husband of thirty-two years. Although their daughters are grown and married, they've never had an empty nest. The house is constantly full of young people. Some are temporary residents. Some come to share meals or swim. Some just come to hang out. But the constant flow of young folks in and out of the house brings joy and excitement to the home, and inspiration to the writer. Tamie met her husband as a freshman in college when she acted out of character on a whim. One night in the library lobby, she spied a cute guy with his first name written on the back of his shirt. She called out his name. When he approached to talk to her, she pretended that she'd met him before, asking about his classes and how he liked college. To her surprise and delight, he also pretended that he knew her, but of course he didn't know her name. They continued this false relationship for two months. Each time they saw each other, an event which occurred three times per week at the cafeteria, he would pretend he knew her. Meanwhile, all of Tamie's friends were careful not to reveal her name to him. When he finally admitted his ignorance of her name, he was astonished to learn the truth. And the rest is history.
