His Black Experiment (The Interracial Aphrodisiac) (Billionaires Love Black Women Book 6) By Asia Marquis

A heavy dose of an aphrodisiac leaves Jacinda Loose hungry... for what's in Dane's pants.

Jacinda Loose is a **smart black girl** trying to make it in the **male dominated** world of bioengineering. She's finally got the internship that will help her succeed. If she can impress Dane Somers enough, she might even get her dream job.

But when a fire breaks out in the lab and Jacinda is shoved into a shelf, she gets dosed with one of the **strongest aphrodisiacs** in the world. Almost immediately, things start changing. Her **breasts** feel sore, her body is burning up, and she wants to **take off all of her clothes**. Not only that, but Dane is looking sexier than ever.

Will Jacinda commit career suicide by seducing her white boss?

Excerpt:

“Wait!” She says, standing up. Her head is spinning. “Stay with me! I'm scared!” She pulls Dane closer to her, pressing her body against his. Holding onto him tight, a few tears fall from her eyes. They smell like roses.

“I really have to go. If I don't leave soon, you'll become attached to me-”

Jacinda **rubs her hand up and down his leg**, cooing into his ear. “Please, stay with me,” she pants. Her **soft lips** rub against his ear lobe and her eyelashes flutter against his cheek.

He pushes her away and steps closer to the door. “You're not aware of what you're doing. This is just the aphrodisiac.”

“How do you know? Maybe you just have me **all hot and bothered**. Maybe I'm

just naturally turned on by you.” Jacinda **unbuttons her pants** and slides a hand down the front of them. “Mmm, **I'm so wet for you.**”

Dane looks at the door again, then locks it. Jacinda pounces onto him, kissing him hard and savoring his taste. He grabs her hair, pulling her head back before **biting into her dark neck**. It's salty from her sweat.

In this erotic, interracial story you'll find the following themes:
