Editorial Review

Review

I write erotica. Welcome to my wicked world!

Amazon has made it very difficult for readers to find **TABOO** stories like this one, and has also made it impossible for authors to even warn readers just how **TABOO** something might be! Silly Amazon! So I want to give you a clear warning without giving you all the naughty details Amazon says I can't share with you. Are you ready?

Selena Kitt writes sex. She writes it **HOT**, she writes it **DIRTY**, and she often writes it so shockingly **TABOO** sometimes it even gets her into trouble!

Do you like it **HOT? WICKED? ILLICIT? NAUGHTY? TABOO?** Then one-click this title. You won't be disappointed.

But don't say I didn't warn you... ;)
