Loving Angel: Divisa, Book 4 By J. L. Weil

Loving Angel isn't easy. Actually, it's downright exhausting, but somehow she weaseled her way into my life. She has become my everything - my reason for existing - my reason for breathing. I love the ever-loving crap out of Angel Eyes. There is nothing I wouldn't endure for her - even college.

College. Ugh.

I hope the frat boys, the jocks, and the nerds are prepared for what is about to embark on their school this fall. Half-demons. Hunters. And um, the Keystone? Yeah, that is going to take getting used to.

We aren't exactly your average freshman. And somehow I find myself stuck with a bunch of troublesome females to look after. Angel. Emma. Lexi. Pretty sure I got the raw end of the stick.

But that isn't the worst of it. There is someone lurking in the shadows - spying and stalking my girlfriend. He is a dead man. How many people am I going to have to kill for this girl? A better question would be how many people wouldn't I kill for her?

As many as it took.

Angel is about to experience betrayal of the worst kind. And this time, it's not entirely my fault. Shocker.

Recommended for ages 16+ due to language and sexual content
