My Soul to Take: Book 2 (Soul Keeper Series) By Melissa Solis

Brennen Hale has learned a great deal of secrets in the last few months. Her lineage brings frightening new revelations forth. She's lost her boyfriend, and though she longs for another, she's forbidden from him by the very beings who brought her into this world.

They say loving the wrong man will disrupt fate, she longs for a way for everyone to be happy.

They say she'll save millions, she only wants to protect one.

They say one kiss and she'll lose him for good, she would trade it all for one more.

They say all of her dreams will come true if she obeys, she thinks she's living in a nightmare.

Brennen learns the hard way that she can't make everyone happy, there's times when it seems like the whole universe is against her. But, if her past has taught her anything, it's how to get through one minute, and one hour, and one day at a time.
