Pearl By Arianne Richmond

The book that Pearl Series fans have been asking for: the flip side of the tale. The story according to Alexandre Chevalier.

At only twenty-five, Alexandre Chevalier is a billionaire. His social media site, HookedUp, is more popular than Twitter, more global than Facebook. With his drop-dead gorgeous looks, alluring charm, and immense wealth, he has women falling at his feet, desperate for his attention.

But his heart is set on only one woman: Pearl Robinson.

Alexandre's dark and dysfunctional past makes him crave stability and a normal relationship, but he soon finds out that Pearl is a bird with a broken wing. Why, he isn't sure.

Pearl, follows Arianne Richmond's bestselling books in *The Pearl Trilogy: Shades of Pearl, Shadows of Pearl* and *Shimmers of Pearl*; the tumultuous and heart-rending love story between forty-year-old documentary producer, Pearl Robinson, and French Internet billionaire, Alexandre Chevalier, fifteen years her junior.

Pearl is written from Alexandre's point of view, from the moment they first meet on a rainy summer's day in a coffee shop in New York City, and culminates in the fifth and final novel, *Belle Pearl* (release date 12th Nov 2013) which takes the reader beyond *Shimmers of Pearl* and has a *different* ending.

In any relationship details are hidden; things are left unsaid.
Not all conversations are remembered in the same way.
And not all actions are disclosed--especially to the one you love most.

Pearl is approximately 53, 000 words long, just over 200 printed pages. The story continues and reaches its conclusion in *Belle Pearl*.

*

Because of Alexandre Chevalier's bedroom skills, this novel contains erotic content and sexy strong language.

Intended for readers aged 18 and over.
