Putting Together the Puzzle of the Old Testament By Bill Jones

With eight to nine hundred pages of names like Melchizedek, Mephibosheth, Meshelemiah, Michmethath, Mikhtam, who wouldn't feel confused? If the Old Testament were one of those 1000 piece puzzles, then this book provides the puzzle's box cover so you can understand the complete picture of what you are assembling. It also helps you put together the important four corners and all the straight edged pieces so you have a completed border or reference of the puzzle. Armed with these two advantages, when you read or study Old Testament stories, you will understand how all the pieces fit together. This book is ideal for those who have little or no familiarity with the Old Testament or for pastors and lay leaders to help teach a better understanding of the Old Testament.
