### Redemolished (The Alfred Bester Library) By Alfred Bester

“Bester’s two superb books have stood the test of time.

For nearly sixty years they’ve held their place on everybody’s list of the ten greatest sf novels” —Robert Silverberg

Before his untimely death in 1987, Alfred Bester had established himself as one of the world’s greatest science fiction writers. From radio to television, short fiction to full-length novels, he created a body of work that will be continued to be enjoyed by generations of readers for all time. Now, *Redemolished* brings together, for the first time in one volume, the full range of his genius: The never before printed, complete 3,000 word prologue of his classic novel *The Demolished Man* (Winner of the first Hugo Award); The extraordinary classic science-fiction tale, “Hell is Forever,” and Bester’s shocking pre-cyberpunk stories, such as “The Four Hour Fuge.” Included in this special edition are Bester’s writings on such noted celebrities as Woody Allen, Rex Stout, and Isaac Asimov.

Alfred Bester was among the first important authors of contemporary science fiction. His passionate novels of worldly adventure, high intellect, and tremendous verve, *The Stars My Destination* and the Hugo Award winning *The Demolished Man*, established Bester as a s.f. grandmaster, a reputation that was ratified by the Science Fiction Writers of America shortly before his death. Bester also was an acclaimed journalist for *Holiday* magazine, a reviewer for the *Magazine of Fantasy and Science Fiction* and even a writer for *Superman*.
