The Planned Destruction of America By Dr. James W. Wardner

"I am here to tell you that the declining American standard of living has been PLANNED from the beginning...at the highest levels of American government -- a plan to fail, a plan to create insecurity and uncertainty, a plan to make the American people serfs in the New World Order!" The PLANNED DESTRUCTION OF AMERICA explains in detail: *Who is responsible for our failing economy *The secret plan behind the massive job elimination that America is now experiencing *Why the supposed "free" press hides the truth from the American public *When the control of our money supply was taken away from our government and illegally handed over to an international group of private banking interests *How the great depression of 1929-1931 was planned in secret by the same power structure which is now promoting a "New World Order" *The common thread linking the Kennedy and Lincoln assassinations and the attempted assassinations of two other U.S. Presidents *The carefully orchestrated effort to lower the moral standards of the American public and how it weakens resistance to government tyranny In this fascinating book, Dr. James W. Wardner exposes the evil forces behind the "New World Order" and reveals the unholy alliances that are bringing about THE PLANNED DESTRUCTION OF AMERICA.
