A Couple's Guide to a Growing Marriage: A Bible Study By Gary D. Chapman

From #1 *New York Times* bestselling author Gary Chapman

Every marriage is a growing marriage. The real question is: are you growing *closer together* or *further apart*? If you're content with the latter, don't change a thing. However, if you desire the kind of marriage that keeps getting better, then you'll need to be intentional. This book will start you in the right direction.

A Couple's Guide to a Growing Marriage teaches you how to...

- Invite God into the details of your life and marriage
- Listen in ways that deepen intimacy and friendship
- Understand your spouse and be understood
- Keep your love fresh and mutually engaging
- Manage conflict constructively, not destructively

In both private and shared-time exercises, you'll explore Bible study, prayer, and Scripture memory. You will learn how to have a brief daily sharing time with your spouse, and you will cultivate deeper friendships with others through group activities.

So much more than a personal and group study, *A Couple's Guide to a Growing Marriage Bible Study* will teach you to share your life more fully with God, and as your relationship with God deepens, so will your relationship as a couple.
