Cocina criolla By Carmen Valldejuli

"The foremost authority on Puerto Rican cooking is a silver haired, stylish, and warmly hospitable woman named Carmen Aboy Valldejuli . . . [her books] are considered today to be the definitive books on island cooking."

-New York Times

Written entirely in Spanish, *Cocina Criolla*, the standard reference work on traditional Puerto Rican cooking, is in its 68th printing and has special appeal to those who enjoy the island's cuisine.

In addition to offering hundreds of delicious recipes, *Cocina Criolla* includes advice for the inexperienced cook that ranges from suggestions about the most efficient way to read a recipe to suggestions about what kitchen equipment every cook should have.

Cocina Criolla no puede compararse con la generalidad de los libros de cocina. En muchos puntos difiere grandemente de éstos. Pero por su encaje perfecto en la necesidad actual de literatura culinaria práctica y útil y por la forma detallada y característica de sus recetas es, de por sí, único en su clase.

Cocina Criolla solucionará muchas problemas domésticos y por lo tanto, está llamado a ser un libro indispensable en el hogar.

The English edition of this book, *Puerto Rican Cookery*, is in its 36th printing with more than 167,000 copies in print and is also available from Pelican.

Editorial Review

Users Review

From reader reviews:

Martha Doughty:

Book is to be different for each and every grade. Book for children till adult are different content. As it is known to us that book is very important for all of us. The book Cocina criolla ended up being making you to know about other information and of course you can take more information. It is quite advantages for you. The publication Cocina criolla is not only giving you considerably more new information but also to become your friend when you really feel bored. You can spend your own personal spend time to read your guide. Try to make relationship with the book Cocina criolla. You never sense lose out for everything in the event you read some books.

Melissa Fanning:

Reading a book to be new life style in this year; every people loves to study a book. When you study a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, as well as soon. The Cocina criolla offer you a new experience in studying a book.

Paul Steinbach:

You can spend your free time to study this book this reserve. This Cocina criolla is simple to bring you can read it in the area, in the beach, train along with soon. If you did not have got much space to bring the particular printed book, you can buy the e-book. It is make you much easier to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Justin Tran:

Within this era which is the greater particular person or who has ability in doing something more are more treasured than other. Do you want to become one among it? It is just simple strategy to have that. What you must do is just spending your time not much but quite enough to enjoy a look at some books. On the list of books in the top list in your reading list is actually Cocina criolla. This book and that is qualified as The Hungry Mountains can get you closer in becoming precious person. By looking up and review this publication you can get many advantages.
