From Brilliant to Bimbo By Viktoria Skye

Stuck up, brainy Megan just can't wait to try the new cosmetic she developed for her company. She'd never wear makeup normally, but this is for science.

Only now her head feels so funny. Her body is so warm. *Giggle*. Being a **busty, tan, blonde** is the best. Work is boring - it's time to party!

Her **bursting, fertile young body** just can't wait to get attention from **every man** she ignored before! She has a lot of catching up to do- the cute guy at the club, those two hunky black security guards, and ,of course, she needs to show her boss how well her makeup works.

But will Megan's brilliant mind fight back from this transformation? Does she even want it to?
