Joseph: A Story About a Family By Stephen V. Elliott

All we are today traces its way back to our parents and siblings, our contexts and circumstances, our sorrows and pains, our joys and discoveries. Home really is where our story begins. And Joseph, the subject of this book, had a home.

Essentially, all of life revolves around two sets of relationships: ours with God and ours with one another. In the pages of *Joseph: A Story About a Family*, Stephen Elliott unpacks one of the most commonly shared Old Testament stories, helping readers discover that God is findable in the midst of the relationships that shape and misshape everyday life. When all is said and done, Joseph's story is a story about a family. Maybe even your family.
