Judaism's Strange Gods: Revised and Expanded By Michael Hoffman

In *Judaism's Strange Gods: Revised and Expanded* Christian scholar Michael Hoffman documents his provocative thesis that Judaism is not the religion of the Old Testament, but the newly formalized belief system of the Pharisees, which arose in Babylon with the commitment of the formally oral traditions of the elders to writing, in the wake of the crucifixion of Israel's Messiah and the destruction of the Temple.

Basing his findings on authoritative Judaic sources, Hoffman demonstrates that Judaism is a man-made religion of tradition and superstition, which represents the institutionalized nullification of Biblical law and doctrine.

Liberating the reader from the accumulated shackles of decades of misinformation, this book shows that Judaism's god is not the God of Israel, but the strange gods of Talmud and Kabbalah, and the racial self-worship they inculcate.

Christian bookstores are packed with tomes purporting to unmask the religion of Islam, but not one slim volume will be found delving into the depravities of Orthodox Judaism. *Judaism's Strange Gods: Revised and Expanded* corrects that imbalance with its fidelity to Biblical truth and the historic witness of the Church. Here is the best book on Judaism for educating people about the hidden side of this much glorified, but soul-destroying religion of warfare and deception. Hoffman deconstructs the facade of Judaism in clear and understandable writing, and does so charitably and without vitriol.

Editorial Review

Review

"Hoffman is Christendom's foremost living scholar of rabbinic Judaism". Source: Mickey Henry, TribalTheocrat.com

Review

If someone other than a committed Christian had written this book, it would have been another Christian rant against Jews for their historic hatred of Christ, but Hoffman shows that he is not hateful, nor spiteful as he exposes the ingrained racism and exclusionist foundation set up by the Pharisees...Hoffman not only describes what the Talmud teaches, he documents every word of it from the work itself...Hoffman, to his great credit, does not suggest we get even, he seriously hopes that such Jews can open themselves to Christ and rejoin humanity. This work is a lesson in every way.
