Editorial Review

About the Author

Serena Grey discovered her first love when she was a child, and that love, reading, has been her constant companion since then.

She still loves to read, but now she also writes, because the stories in her head won't leave her in peace otherwise. Even though she loves all kinds of fiction, she has a soft spot for love and romance, and that flush of pleasure that can only be found at the end of a beautiful love story.

When she's not reading and writing, she enjoys cocktails, coffee, the Vampire Diaries, Smash, and constantly drools over Gabriel Macht as Harvey Spector in Suits.
