

The End of All Things

By Lissa Bryan

The End of All Things By Lissa Bryan

Praise for The End of All Things:

Not only does Lissa Bryan tell a convincing end of the world as we know it story, but also a wonderfully emotional romance -- Sandra from My Fiction Nook

Yes, an end of the world romance TOTALLY works -- Sandi Layne

I love, love, love this book. Have reread it 3 times. It's a love story, survival story and action adventure all in one. -- Karen Jenkins

The End of All Things was a lovely surprise. I'm a fan of dystopia and post-apocalyptic novels, but Lissa Bryan happened to do something different. She brought love to the forefront, weaving relationships and romance with an end-of-the-world-as-we-know-it into an overall theme of the things taken for granted. -- Raina at The LUV'NV blog

~~~~~

### SUMMARY:

After a terrible virus ravages the planet, Carly Daniels, one of the few survivors, hides in her apartment in Juneau trying to survive the best she can with only occasional forays to gather food. With her is Sam, a wolf puppy she found starving on the streets. He becomes her companion and a reason to continue when giving up sometimes seems like the more attractive option. Still dazed with shock and grief, she hopes for the world to go back to normal soon.

She is discovered by Justin, an ex-soldier who is intent on making his way to Florida before the winter sets in. Justin coaxes her out of her hiding place and convinces her to join him on his journey, because a warmer climate will be their best chance against the extremes of Mother Nature.

Together, they begin a perilous journey through a nation laid to waste by the disaster. Challenges abound along the way. The weather, injury, and shortage of supplies all help to slow them down. In time, they discover that they aren't the only survivors. Some are friendly but some have had their minds destroyed by

the high fever. Then there are those who simply take what they want, leaving Carly and Justin with no choice but to defend what is theirs.

But their journey is not without joy and love. Together, they face every struggle, including an unplanned pregnancy. Despite the perils of bringing a child into a world of chaos, their baby is a new beginning for themselves and a symbol of hope for the other survivors they find along the way.

This is the story of their journey to find a place to begin a new life, and a home in each other.

~~~~~

Praise for The End of All Things:

But this isn't just a story of two people who find love in the unlikeliest people and places. This story is also about survival and the difficult decisions people have to make to ensure it. --Amy, Goodreads

The End of All Things is more about hope and second chances, and I very much enjoyed the tale highly recommended for all fans of apocalyptic fiction. It's a well-written book with excellent pace, plot, and best, it has real soul.-- Jade Kerrion, Goodreads

I am not usually fond of The End of the World As We Know It books, but this book was so much more than a post apocalypse story. It contained adventure, mystery, sadness and a truly sweet romance. --Pamela, Goodreads

Editorial Review

Review

- Hope, love, and the strength of the human spirit are the backbone of this surprisingly uplifting offering from Lissa Bryan. ~ **CBL Book Reviews**
- *The End of All Things* was a lovely surprise. I'm a fan of dystopia and post-apocalyptic novels, but Lissa Bryan happened to do something different. She brought love to the forefront, weaving relationships and romance with an end-of-the-world-as-we-know-it into an overall theme of the things taken for granted. ~ **Raina at The LUV'NV blog**
- Not only does Lissa Bryan tell a convincing end of the world as we know it story, but also a wonderfully emotional romance. ~ **Sandra at My Fiction Nook**

About the Author

Lissa Bryan is an astronaut, renowned Kabuki actress, Olympic pole vault gold medalist, Iron Chef champion, and scientist who recently discovered the cure for athlete's foot.... though only in her head. Real life isn't so interesting, which is why she spends most of her time writing.

Users Review

From reader reviews:

Dolores Mika:

In this 21st century, people become competitive in each and every way. By being competitive currently, people have to do something to make these people survive, being in the middle of often the crowded place and notice by surrounding. One thing that often many people have underestimated the item for a while is reading. That's why, by reading a e-book your ability to survive improve then having chance to stand up than other is high. In your case who want to start reading any book, we give you this kind of The End of All Things book as beginner and daily reading reserve. Why, because this book is usually more than just a book.

Whitney Martinez:

Hey guys, do you want to find a new book to read? Maybe the book with the name The End of All Things suitable to you? The particular book was written by renowned writer in this era. The book entitled The End of All Things is the one of several books in which everyone reads now. This book was inspired many men and women in the world. When you read this book you will enter the new way of measuring that you ever know previous to. The author explained their strategy in the simple way, therefore all of people can easily understand the core of this guide. This book will give you a large amount of information about this world now. To help you see the represented of the world with this book.

Kenton Marshall:

The reason why? Because this *The End of All Things* is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will shock you with the secret that inside. Reading this book close to it was fantastic author who else write the book in such awesome way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have got such as help improving your ability and your critical thinking technique. So , still want to delay having that book? If I were being you I will go to the reserve store hurriedly.

Vanessa Gibson:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book had been rare? Why so many question for the book? But almost any people feel that they enjoy for reading. Some people likes reading through, not only science book but also novel and *The End of All Things* or perhaps others sources were given knowledge for you. After you know how the fantastic a book, you feel want to read more and more. Science e-book was created for teacher or perhaps students especially. Those publications are helping them to add their knowledge. In other case, beside science publication, any other book likes *The End of All Things* to make your spare time a lot more colorful. Many types of book like this one.
