VCA-DCV VMware Certified Associate on vSphere Study Guide: VCAD-510 By Robert Schmidt, Dane Charlton

Use this expert guide to prepare for the VCA-DCV exam

VCA-DCV VMware Certified Associate on vSphere Study Guide: VCAD-510 is a comprehensive study guide for the VMware Certified Associate – Data Center Virtualization exam. Hands-on examples, real-world scenarios, and expert review questions cover the full exam blueprint, and the companion website offers a suite of tools to help you prepare for the exam including practice exams, electronic flashcards, and a glossary of key terms. In addition, the website includes videos that demonstrate how to complete the more challenging tasks. Focused on practical skills, this study guide not only prepares you for the certification exam, but also for the duties expected of a VCA.

The VMware Certified Associate-Data Center Virtualization certification targets those with limited virtualization and VMware data center technology experience, providing a springboard to the popular VMware Certified Professional-Data Center Virtualization certification. Virtualization has become a high priority among organizations, and credentialed professionals are in high demand. This guide helps you prove a certain level of foundational skill in basic virtualization technology, including the vSphere suite's Infrastructure Services, Application Services, and vCenter Server. Topics include:

- Explaining data center virtualization concepts
- Identifying the core components of vSphere
- Networking and storage planning/configuration with vSphere
- Correlating VMware solutions to common business challenges

The VCA-DCV certification is the only one with no instructor-led training requirement, so a thorough study guide is an invaluable tool in your exam preparation. This book not only covers the full exam, but also provides practice designed to actually improve the skills used every day on the job. *VCA-DCV VMware Certified Associate on vSphere Study Guide* is more than just test prep—it's job prep.

Users Review

From reader reviews:

Edward Payne:

Reading a publication tends to be new life style on this era globalization. With examining you can get a lot of information that could give you benefit in your life. Along with book everyone in this world could share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or perhaps their experience. Not only the storyline that share in the ebooks. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on this planet always try to improve their expertise in writing, they also doing some study before they write to their book. One of them is this VCA-DCV VMware Certified Associate on vSphere Study Guide: VCAD-510.

John Wannamaker:

The reason? Because this VCA-DCV VMware Certified Associate on vSphere Study Guide: VCAD-510 is an unordinary book that the inside of the publication waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book adjacent to it was fantastic author who write the book in such remarkable way makes the content inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of benefits than the other book have got such as help improving your skill and your critical thinking technique. So , still want to hold off having that book? If I have been you I will go to the reserve store hurriedly.

Maureen Guzman:

VCA-DCV VMware Certified Associate on vSphere Study Guide: VCAD-510 can be one of your beginner books that are good idea. We all recommend that straight away because this book has good vocabulary that can increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information.

The article author giving his/her effort to get every word into enjoyment arrangement in writing VCA-DCV VMware Certified Associate on vSphere Study Guide: VCAD-510 yet doesn't forget the main place, giving the reader the hottest and also based confirm resource data that maybe you can be certainly one of it. This great information could draw you into brand-new stage of crucial pondering.

Joshua Hsu:

Are you kind of hectic person, only have 10 or even 15 minute in your moment to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are having problem with the book in comparison with can satisfy your short time to read it because pretty much everything time you only find book that need more time to be study. VCA-DCV VMware Certified Associate on vSphere Study Guide: VCAD-510 can be your answer because it can be read by you who have those short time problems.
