### Crash: A Pepper Pace Novella By Pepper Pace

This multicultural romance begins when a young man is brutalized and raped. He finds an ally in Sophie Baxter, a reclusive writer of interracial fiction. When Sophie initially meets Lucas she believes he is a young teen and takes him under her wing. By the time she realizes her mistake it's too late—this polite and sweet kid has found a way into her heart. Lucas wants Sophie to see that he is no child even though he has an innocent baby face. And Sophie thinks that anyone looking at them together would mistake the older black woman for being some young white boy's care giver. She can't fathom breaching that trust...not with her history. Pepper Pace has woven a tale of unpredictable circumstances and unlikely characters. This sweet romance deals with a difficult subject matter but is not a story about rape but about self-discovery.
