Infinity Scarf - Quick and Easy Crochet Pattern By Sarah Taylor

This infinity scarf is very quick and easy to make, and offers both warmth and a sophisticated look. The completed scarf measures approximately 72" (183 cm) around, so it can be worn wrapped around the neck a couple of times, or as a long single infinity scarf. The scarf is approximately 5" wide (12.5 cm).

You will only need two 2 oz skeins (50g balls) of light worsted (double knitting/8 ply) yarn and a decorative button to complete the project. For the scarf on the cover of this book I wanted a yin and yang look, so I chose black and white yarn and I found a button to fit the theme. Using alternative color combinations and button designs changes up the look to make each infinity scarf unique, so the choices are endless.

My patterns are written in plain English so that crocheters of all skill levels can enjoy making them.
