Editorial Review

Review

This book is absolutely adorable, illustrating how to create cute amigurumi style crochet creatures with easy-to-follow patterns that are suitable for crocheters of all abilities. Great fun and a delight! Hot Brands, Cool Places May 2015 You'll know Goldilocks, Rapunzel, the Three Little Pigs and Puss in Boots. But you might not know amigurumi. It's the Japanese art of crocheting animals and dolls with big, cute, loveable faces. From the frog prince with a forlorn look on his face to the curly-haired princess with her giant pea and the ugly duckling who isn't really very ugly at all, it's harder to turn the pages of this book without saying 'Awww, adorable!' than it is to eat a doughnut without licking your lips. The patterns assume a certain amount of knowledge, so they're probably best tackled if you have some experience in crochet But they're off-the-scale engaging and gorgeous. Woman's Weekly May 2015 This brand new release brings 30 characters from your favourite fairytales and really adds the novelty factor to what is already a technical crochet venture. Magic up a host of little figures and let them be enjoyed as presents or props in little re-enactments for fun family entertainment. With easy-to-follow patterns plus quotes to tell the stories, this book is right up our bread-crumbed street. Out favourite has to be Snow White and the Seven Dwarves. Make it Today May 2015 Children love fairy stories - whether it's piles of Ladybird books by the bed or old Disney cartoons on YouTube, young children still delight in tales of the big bad wolf, or scare themselves with stories of Hansel and Gretel lost in the woods. You can bring their stories to life with these adorable amigurumi patterns by Inside Crochet designer Lynne Rowe (www.thewoolnest.blogspot.co.uk). Made using a selection of DMC natural fibre yarns, any of these story-themed toys would make a great treat for a child. Designs range from Goldilocks and the three bears to a dashing Puss in boots, Rapunzel and her tower, oh-so-cute ugly ducklings and our favourite, a sweet princess complete with a mattress, blankets and tiny pea! There are 11 fairytale sets in total, enough to fill a whole chest of storytime toys. We particularly like all the little design details, such as Goldilocks' curly blonde hair, and Snow White's tiny red apple. This book assumes experience with the basic crochet stitches, but includes clear photo guides to amigurumi techniques such as attaching parts together, stuffing evenly, adding safety eyes and creating different hairstyles. Amigurumi are quick to hook and perfect for using up odds and ends of yarn, so set aside a few hours and fall in love with fairytales again. Inside Crochet Issue 66 Children love fairy stories - you can bring their stories to life with these adorable amigurumi patterns but inside crochet designer Lynne Rowe. Any of these story-themed toys would make a great treat for a child. Designs range from Goldilocks and the three bears to dashing Puss in boots, Rapunzel and her tower, oh-so-cute ugly ducklings and out favourite a sweet princess complete with a mattress, blankets and tine pea! There are 11 fairytale sets in total, enough to fill a whole chest of storytime toys. We particularly like all the little design details, such as Goldilocks' curly blonde hair and Snow Whites tiny red apple. This book assumes experience with the basic crochet stitches, but includes clear photo guides to amigurumi techniques such as attaching parts together, stuffing evenly, adding safety eyes and creating different hairstyles. Amigurumi are quick to hook and perfect for using up odds and ends of yarn, so set aside a few hours and fall in love with fairytales again. Inside Crochet July 2015 Once Upon A Time in Crochet is an adorable collection of crochet amigurumi projects from those timeless fairytales that we all know and love. I had initially been eyeing up this book because I'd always said that when I have kids I would want a fairytale themed nursery (although I'm not going to need that for about a decade I'm hoping!) As a literature lover all things that amalgamate my two loves, reading and crafts, always peaks my interest and this one certainly didn't disappoint! The moment I first picked it up and started flicking through it made me want to pick up my hook and get started! As you can see from the contents page, characters from 11 classic fairytales are represented in the book. This range not only includes the main character of the story, but often their friends, foes and additional props that makes this one jam-packed book! Overall it covers instructions for thirty characters and many more extras which makes it exceptional value for money. To read the full

Handmade by Hannah Jul 2015 I have to say I love this book!!! It's fantastic! No matter which fairytale is your favorite you'll find something in this book to make. The fairy-tales in the book; The Princess and the Pea The Ugly Duckling Three Billy Goats Gruff Goldilocks and the Three Bears Puss in Boots Snow White and the Seven Dwarves Little Red Riding Hood The Three Little Pigs The Frog Prince Hansel and Gretel Rapunzel The designs are fantastic! Each of them is perfect for each fairy-tale. Each of the patterns are in written format. The book starts detailing all the techniques you will need to make the characters. This includes clear to follow pictures. I love the designs. I love how each of the characters have been put together. They would make beautiful presents for children and even some adults. What wouldn't be better than telling the stories with the characters. It would make storytime so much more exciting. The ami's bring everything alive. I know the people that have seen the book have already put their requests in. Brilliant book!!! A Huge hit in our household! Crochet Addict UK August 2015 This fun, quirky book has 30 cute and whimsical characters to make in amigurumi crochet from 11 popular fairytales such as Puss in Boots, the Ugly Duckling, Rapunzel and Snow White. Step-by-step instructions guide us to perfection, through all the finishing touches required. Machine Knitting Monthly

About the Author

Lynne Rowe was taught to knit and crochet by her Nan in her early childhood and has been hooked ever since. She has developed a wide range of specialist skills and loves to pass these on to others through her workshops and classes. She is best known for her whimsical designs which feature regularly in the UK's most popular craft magazines, along with articles and technical guides. Her practical approach makes her patterns straightforward, easy to read and fun to make and her aim is to encourage as many people as possible to knit and crochet. Lynne lives in Congleton, Cheshire.

Users Review

From reader reviews:

Mildred Patton:

Here thing why this Once Upon a Time... in Crochet are different and trusted to be yours. First of all studying a book is good but it depends in the content of it which is the content is as yummy as food or not. Once Upon a Time... in Crochet giving you information deeper and different ways, you can find any publication out there but there is no e-book that similar with Once Upon a Time... in Crochet. It gives you thrill reading through journey, its open up your current eyes about the thing that happened in the world which is perhaps can be happened around you. It is easy to bring everywhere like in recreation area, café, or even in your approach home by train. If you are having difficulties in bringing the paper book maybe the form of Once Upon a Time... in Crochet in e-book can be your alternate.

Stephen Hawkins:

Can you one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Make an effort to pick one book that you never know the inside because don't assess book by its protect may doesn't work is difficult job because you are afraid that the inside maybe not because fantastic as in the outside look likes. Maybe you answer could be Once Upon a Time... in Crochet why because the wonderful cover that make you consider in regards to the content will not disappoint an individual. The inside or content will be fantastic as the outside or perhaps cover. Your reading sixth sense will directly assist you to pick up this book.

Lillian Robbins:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many problem for the book? But any people feel that they enjoy for reading. Some people likes examining, not only science book but novel and Once Upon a Time... in Crochet as well as others sources were given knowledge for you. After you know how the great a book, you feel would like to read more and more. Science reserve was created for teacher or maybe students especially. Those books are helping them to increase their knowledge. In various other case, beside science e-book, any other book likes Once Upon a Time... in Crochet to make your spare time a lot more colorful. Many types of book like here.

Deborah Young:

A lot of e-book has printed but it differs from the others. You can get it by net on social media. You can choose the most effective book for you, science, comedian, novel, or whatever simply by searching from it. It is identified as of book Once Upon a Time... in Crochet. Contain your knowledge by it. Without causing the printed book, it can add your knowledge and make you actually happier to read. It is most crucial that, you must aware about publication. It can bring you from one place to other place.
