Reawakening the Dragon (Stonefire British Dragons Book 5) By Jessie Donovan

STONEFIRE DRAGONS BOOK 5

Tired of reporting the news but never investigating, Jane Hartley is determined to expose the truth of the Carlisle dragon hunters. While meeting with one of her sources, she spots the tall, blond dragonman she first saw three months ago back on Stonefire. When the dragonman warns her off, Jane becomes more determined than ever to find the truth before he does.

With most of the threats to his clan under control, Kai Sutherland wants to find a way to take down the Carlisle hunters for good. In the beginning of his investigation, he sees the human female his dragon wants. Putting aside his own needs, he tries to scare her away to focus on the hunters, but the female refuses to go.

As they work together to discover the hunters' secrets, the attraction between them threatens the investigation. Kai never expected to find his second chance, yet as the danger amps up, can he find a way to have her while still protecting his clan?

74,000 words / Happy Ending, No Cliffhanger / 18+, explicit language and sexual content

Note: This was originally titled, "Reawakening the Dragon: Boxed Set (Parts #1-4)." However, it is exactly the same story.

<http://jessiedonovan.com/newsletter> Jessie Donovan wrote her first story at age five, and after discovering the Dragonriders of Pern series by Anne McCaffrey in junior high, realized that people actually wanted to read stories like those floating around inside her head. From there on out, she was determined to tap into her over-active imagination and write a book someday. After living abroad for five years and earning degrees in Japanese, Anthropology, and Secondary Education, she buckled down and finally wrote her first full-length book. While that story will never see the light of day, it laid the world-building groundwork of what would become her debut paranormal romance, Blaze of Secrets. In late 2014, she became a New York Times and USA Today Bestselling author. Jessie loves to interact with readers. When not reading a book or traipsing around some foreign country on a shoestring, can often be found on Facebook.
