She Who Remembers By Linda Lay Shuler

In an ancient time of fear and superstition, she stood apart because of her unusual blue eyes. In a land of great stone cities and trackless wilderness, she sought her own unique path. But it was with the clan that accepted her—and in the heart of the magic man who saved her—that she found her ultimate destiny. Her name was Kwani. But legend would call her She Who Remembers...

Editorial Review

From Publishers Weekly

Set in the American Southwest during the 13th century, Shuler's absorbing first novel portrays Kwani, an intrepid young Pueblo Indian of the Anasazi tribe whose fortitude is severely tested. The daughter of a Viking invader, Kwani is exiled from her clan because her blue eyes mark her as a witch. She is found by Kokopelli, a charismatic Toltec nobleman renowned as a magician, teacher and healer. Dazzled by his mystique, Kwani willingly accompanies Kokopelli to the Eagle Clan's encampment, where he makes her his mate, later leaving her with the tribe during his arduous winter travels. Kwani assumes the honorary title of She Who Remembers, keeper of tribal secrets and spiritual powers. Once again, however, she is accused of being a witch and is driven away just as Kokopelli returns. Together, they set off on a hazardous trek, in which they encounter other men who desire Kwani and her mystic powers. The plot sometimes moves slowly, and, aside from Kwani, the characterizations are superficial. Nevertheless, Shuler's exhaustive research lends authenticity to her vivid, fascinating descriptions of Indian society and culture. 50,000 first printing; \$50,000 ad/promo.

From Library Journal

A compelling story of tribal life in the American Southwest in the late 13th century. Kwani, a young woman of the Anasazi tribe believed to be a witch by her own people, is rescued by Kokopelli, a legendary figure who trades among the tribes, and taken to the cliff dwellings of the Eagle Clan, and later to his Toltec village. Thought to possess mystical powers, Kwani inherits the role of "She Who Remembers," a revered woman responsible for passing on tribal memories. Kwani's story has an abundance of adventure but is especially interesting for its depiction of customs and rituals and village relationships. It should appeal to those who enjoy Jean Auel's novels. Recommended. Ellen Kaye Stoppel, Drake Univ. Law Lib., Des Moines
