### The Art of Spiritual Living (Continuing Infinite Way Letters Series Book 7)

By Joel S. Goldsmith

Joel Goldsmith has written many books about the principles that constitute the message of the Infinite Way. In *The Art of Spiritual Living*, he focuses on how we can bring those principles into every phase of life – health, supply, business, home, relationships – and experience their transforming influence. “Being able to live the spiritual life,” he says, is dependent upon your knowing, first of all, that God is your selfhood and the selfhood of everyone you meet, and then knowing that the Father within you knows your need. You must know that it is His good pleasure to give you the kingdom, and you can rest and relax in that assurance. When you have that assurance, you are really living the spiritual life.”

With each lesson in spiritual living, Goldsmith drills down into the deeper meaning, as when he says, “The basis of all spiritual living is that I and the Father are one. But if we leave out any individual anywhere, we are losing our demonstration. We cannot say, ‘I and my Father are one,’ and then omit anyone else. It may be difficult at first to look around the world and as we recall a few names and faces, say with disbelief, ‘What? You, too, are one with God?’ No, judging by appearances; but in truth I and the Father are one is a universal truth.”

*The Art of Spiritual Living* lays out a clear choice between living humanly and living spiritually. Goldsmith gives the reader extensive instruction on how to live spiritually, from rising in the morning to retiring at night by anchoring oneself in the spiritual principles and practices of the Infinite Way message. Using interesting and sometimes amusing stories from his own experience, he illustrates the practicality of spiritual living and shows how it can shape every aspect of life and bring peace, harmony, and freedom. “All scripture is agreed that you must abide in Me and let Me abide in you. You must live, and move, and have your being in God, and you must let God abide in you.” This is the art of spiritual living.

### **Editorial Review**

#### About the Author

JOEL S. GOLDSMITH (1892-1964), a monumental teacher of practical mysticism, devoted most of his life to the discovery and teaching of spiritual principles which he founded and called The Infinite Way. After the publication of his seminal book, The Infinite Way, in 1947, Joel traveled throughout the world as a teacher and a healer. Although Goldsmith's message was neither organized nor advertised, students of The Infinite Way increased in numbers. Today, a worldwide student body exists which continues to practice and preserve his work. More than thirty books have been compiled from his tape-recorded lectures and classwork including "The Infinite Way," "Practicing the Presence" and "The Art of Meditation."

### **Users Review**

#### **From reader reviews:**

##### **Ian Coghlan:**

Why don't make it to be your habit? Right now, try to prepare your time to do the important work, like looking for your favorite reserve and reading a book.
