**The Key Logger: A Forbidden Glimpse into the True Nature of Women** By Nicholas Jack

Most men see women as an idea; they see the perfect Disney character that they are supposed to see. After installing a key logger on my laptop years ago, I was able to see all the things that these women did when they thought no one was looking. The stories and the shocking truths that were revealed are told in this book. The true nature of women is as no man imagines.
