### What would you do to celebrate your freedom after your first serious relationship breaks down?

After nearly four years with Jeff, everything fell apart. I found myself single, scared, but somehow liberated as well. Rather than stumble into another ill advised relationship, my best friend Sally helped me find focus. I would spend the next few months “finding myself” sexually. That’s how *The Rebound List* was born.

My journey begins with the first item on my list - **a virgin**. The other items on the list? A silver fox, a stranger and a threesome. But it's not easy to go from squeaky-clean committed girlfriend to wanton sex goddess: I have a tendency to let my emotions get in the way. Hopefully I'll have the guts to follow through!

*Please note this book has previously been released as a serial of four parts and contains explicit descriptions of sex with more than one partner.*
