### Trial By Fire (Going Down in Flames) By Chris Cannon

Bryn's hopes for a peaceful new semester at school go up in smoke when someone tries to kill her—again. She's not sure which is scarier, facing the radicals who want to sacrifice her for their cause, or her impending nightmare of a Directorate-arranged marriage to her nemesis, Jaxon.

The one bright spot in her life is Valmont, her smoking-hot knight who is assigned to watch over her twenty-four hours a day. Is what she feels for him real or just a side effect of the dragon-knight bond? At this point, stopping the impending civil war might be easier than figuring out her love life.

*She may have to live in their world, but she doesn't have to play by their rules.*

**Another good installment** and although this book did have an underlying storyline it did feel like it was primarily about connections. Friendships, partnerships, family and relationships. [...] **So bring on the drama but you can't fool me Mrs Cannon, I know your end game!**" - Gia

"I really enjoyed the first two books and the third was no exception. I found it was the type of book with a continuing story one where you look at all of them put together as one large story cut into different books. When I look at it that way I don't mind as much. **It is one of my favourite dragon series books out there and I'm looking forward for more from this series!**" - Jennifer, The Field Guide to Reading
