Alain Badiou: Between Theology and Anti-Theology By Hollis Phelps

'Alain Badiou: Between Theology and Anti-theology' provides one of the first comprehensive analyses of the relationship between Badiou's philosophy and theology. Examining the full range of Badiou's writings, this provocative study explores how Badiou's philosophy relies on theology even if he claims otherwise and actively attempts to work against theology. Despite the complex questions discussed - ranging across ontology, the theory of truth and the subject, philosophy and its conditions, and anti-philosophy - this book presents a clear and accessible overview of the theological, religious and biblical themes which animate Badiou's philosophy.

Editorial Review

Review

"Readers of Badiou will have to take account of this remarkable book. Phelps shows how Saint Paul is not marginal to Badiou's philosophy but lies at the heart of it." --**Clayton Crockett**, *University of Central Arkansas*.

"This book offers an important step forward in the theological reception of Alain Badiou's philosophy by exploring how Badiou, despite his radical atheism, nevertheless remains entangled in theology." --**Frederiek Depoortere**, *Catholic University of Leuven*

About the Author

Hollis Phelps is Assistant Professor of Religion at Mount Olive College, North Carolina.

Users Review

From reader reviews:

Cathy Spearman:

As people who live in typically the modest era should be upgrade about what going on or data even knowledge to make these keep up with the era that is always change and progress.
