Sharpen their brains

Research shows that one of the greatest benefit of interacting with children, including reading to them stories, is that children learn a great deal of things- from improved logic skills to lowering their stress levels. Bedtime stories rewire the brain of a child and quicken their mastery of language. Their vocabulary repertoire is expanded and their listening and oral communication skills enhanced. bedtime stories for kids

Enhance creativity and Stimulate imagination

If you are a good storyteller, then you should teleport your kid to a different realm- from reality to fantasy for the child to learn the difference between these two. This will enhance and stimulate his imagination. children's books kindle

Emotion development

The kid will learn to experience different emotions while empathizing with the characters of the story. The common emotions of sadness, happiness and anger may be encountered and he will learn to control these in real life. bedtime story for kids
