Criminal Investigation for the Professional Investigator (Professional Investigators Series) By BCPI, CLI, Warren J. Sonne

Aimed at the busy professional who aspires to become certified in the field, **Criminal Investigation for the Professional Investigator** is a single source guide that details essential techniques a trained investigator will be called upon to perform during the course of a career. Comprehensive and accessible, the book is authored by a veteran of the NYPD who gained extensive training and experience and went on to launch and operate two successful private investigation agencies.

The book covers crucial topics such as crime scenes, how to document and secure them upon arrival, how to interact with witnesses and suspects, and how to correctly obtain search warrants; death investigations...how to conduct them when they involve natural causes, suicide, homicide, accidents, and gunshot and stab wounds; the art of interrogation...warrants, techniques, and how to interrogate juveniles; and specific criminal investigations...robbery, burglary, narcotics, and sex crimes. The book also provides important strategies for making arrests and testifying in courtrooms, details the most effective investigative tools to use, and explains the role of criminal defense investigators.

Criminal Investigation for the Professional Investigator is part of the *Professional Investigators* series that is intended to provide all present and future members of the investigative community with the knowledge and insight to reach the height of their profession.

Author Warren J. Sonne wrote an article entitled "The Ashley Gang: What Really Happened" in the Fort Pierce-based *Indian River Magazine*. This article sheds new light on the exploits of one of Florida's most notorious crime families and their shooting deaths on the Sebastian Bridge in 1924. The magazine subsequently won the Best In-Depth Reporting Award for this story during the annual Florida Magazine Association meeting in Orlando.

Editorial Review

Review

Where was this text thirty years ago when I needed it most...Criminal Investigation for the Professional Investigator...needs to be required reading for every law enforcement officer in America and beyond...

Jim Silvania, Porter, Wright, Morris & Arthur, Columbus, Ohio and the National Association of Legal Investigators

Users Review

From reader reviews:

Michael Hamlin:

As people who live in the modest era should be upgrade about what going on or data even knowledge to make these people keep up with the era that is certainly always change and move ahead. Some of you maybe may update themselves by examining books. It is a good choice to suit your needs but the problems coming to a person is you don't know which you should start with. This Criminal Investigation for the Professional Investigator (Professional Investigators Series) is our recommendation to make you keep up with the world. Why, as this book serves what you want and wish in this era.

Lily Winstead:

This Criminal Investigation for the Professional Investigator (Professional Investigators Series) tend to be reliable for you who want to be a successful person, why. The reason why of this Criminal Investigation for the Professional Investigator (Professional Investigators Series) can be one of the great books you must have will be giving you more than just simple reading through food but feed an individual with information that might be will shock your preceding knowledge. This book is definitely handy, you can bring it everywhere you go and whenever your conditions in e-book and printed people. Beside that this Criminal Investigation for the Professional Investigator (Professional Investigators Series) forcing you to have an enormous of experience like rich vocabulary, giving you trial run of critical thinking that we understand it useful in your day activity. So , let's have it and revel in reading.

Sandra Passmore:

Playing with family in a park, coming to see the ocean world or hanging out with friends is thing that usually you could have done when you have spare time, then why you don't try point that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Criminal Investigation for the Professional Investigator (Professional Investigators Series), you may enjoy both. It is fine combination right, you still desire to miss it? What kind of hangout type is it? Oh come on its mind hangout fellas. What? Still don't get it, oh come on its identified as reading friends.

Bessie Hall:

This Criminal Investigation for the Professional Investigator (Professional Investigators Series) is great guide for you because the content and that is full of information for you who always deal with world and get to make decision every minute. This book reveal it info accurately using great coordinate word or we can declare no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but hard core information with beautiful delivering sentences. Having Criminal Investigation for the Professional Investigator (Professional Investigators Series) in your hand like having the world in your arm, information in it is not ridiculous one. We can say that no guide that offer you world throughout ten or fifteen tiny right but this publication already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. occupied do you still doubt that will?
