## **Editorial Review**

From the Back Cover

**Desperate times create desperate people. And desperate people are dangerous . . .**

Though Emily Hunt comes from a family of cops, the relatively quiet life of a high school teacher suits her just fine. She's saving up to buy a house, slowly moving forward after her brother's death, and settling into a life she loves. So the last person she wants to spend time with is Mason Taylor.

An undercover cop, Mason is enemy number one as far as her family is concerned. His involvement in the death of Emily's brother is still up in the air, and now he expects her to help him with a case. Mason has been working with one of her students, Rafael Cerda, whose brother has been kidnapped by a drug cartel. And with time running out to meet their demands, Rafael is getting desperate.

Emily will have to draw on all of her strength to handle what happens next . . .

*Fatal Exchange* will draw you into a complex matrix of intertwining lives, unraveling secrets, and unexpected love.
