Secrets of Alchemy: Sacred and Mystic Codes for Good Fortune, Success, Prosperity, Happiness and Miracles in Life By Robin Sacredfire

Most people don't know how to recreate their life, change thinking patterns and find their life purpose. The reason is often hidden at sight, as it is related to the symbiotic relation between visible and invisible, between the spiritual and the material.

This relation between worlds manifests in our mind, vibration, emotions and even in a planetary scale. You cannot dissociate any of the parts and try to understand the whole at the same time. Therefore, the purpose of the information here presented will show you what ancient alchemists knew about the spirit, the mystic triangle of life, and how we can use it to form new paradigms, change our personality and attract a better future. And these techniques are more powerful when used to apply the law of attraction.

Without this information, you will always fail. Nobody can succeed in changing their fate without it, either consciously or unconsciously applying it. Basically putting it, without this knowledge, you won't change from failed relationships to better ones, from lack of money to abundance or from unhappiness to happiness. Everything in the physical world obeys these laws.

The reason why these laws are so important is related to the energy field that governs them, the infinite intelligence that leads to their manifestation. And so, by studying them, you'll be able to increase your discernment, become wiser, and even learn to predict the future by simply looking at the present and the mental patterns that human beings are constantly putting in front of themselves, with the words they use, their actions and their justifications to the events that occur in

This book will empower you and empower your life to a much higher ground.
