That Silent Night: A Lady Emily Christmas Story (Lady Emily Mysteries)

By Tasha Alexander

'Tis the season for murder, mayhem, and mistletoe across the pond from *New York Times* bestselling author Tasha Alexander

In this new short story from Tasha Alexander, Lady Emily -- called "Victorian London's most colorful and delightfully eccentric sleuth"* -- and her dashing husband Colin are spending a few days in London, doing some last-minute Christmas shopping and making the most of the time alone, when they find themselves in the middle of an unexpected mystery. The couple is just getting cozy, not at all bothered by the storm outside. But when Lady Emily looks out the window to see a woman standing in the blowing snow, without a coat, an eerie feeling falls over her, and she rushes out to help, only to find that the woman has disappeared. Colin is convinced her eyes were playing tricks on her, but Emily is haunted by the woman's image. Clearly, there is something spooky afoot, and she is determined to get to the bottom of it. . . .

Complete with the vivid descriptions and period detail Lady Emily fans have come to expect from this series, *That Silent Night* is a delicious morsel of a mystery, with an irresistible ghost story at its heart.

*Jacqueline Winspear, *New York Times* bestselling author of the Maisie Dobbs series

Editorial Review

About the Author

The daughter of two philosophy professors, I grew up surrounded by books. I was convinced from an early age that I was born in the wrong century and spent much of my childhood under the dining room table pretending it was a covered wagon. Even there, I was never without a book in hand and loved reading and history more than anything. I studied English Literature and Medieval History at the University of Notre Dame. Writing is a natural offshoot of reading, and my first novel, *And Only to Deceive*, was published in 2005. I'm the New York Times Bestselling author of the long-running Lady Emily Series as well as the novel *Elizabeth: The Golden Age*. One of the best parts of being an author is seeing your books translated, and I'm currently in love with the Japanese editions of the Emily books.

I played nomad for a long time, living in Indiana, Amsterdam, London, Wyoming, Vermont, Connecticut, and Tennessee before settling down. My husband, the brilliant British novelist Andrew Grant (I may be biased but that doesn't mean I'm wrong) and I now divide our time between Chicago and Wyoming. He makes sure I get my English characters right, and I make sure his American ones sound American.

Users Review

From reader reviews:

Roger Johnson:

Book is to be different for each grade. Book for children till adult are different content. As it is known to us that book is very important normally. The book That Silent Night: A Lady Emily Christmas Story (Lady Emily Mysteries) was making you to know about other information and of course you can take more information.
