### **The Eucharist: Our Sanctification** By Raniero Cantalamessa OFM Cap

The Eucharist should not be limited to the congregation that gathers to hear the word of God and proclaim its faith. It is, first of all, the active presence of the sacrifice of Christ, who gathers us together and lets us partake of his divine life through his body and blood in Communion.

Christians are always hoping to find helpful ways to contemplate the eucharistic mystery in all its fullness, and this set of meditations by Father Raniero Cantalamessa - presented by him in the presence of Pope John Paul II - is written in a simple and warm style and nourished by Scripture and the teachings of the Church Fathers from both the East and the West. These meditations answer the needs of all who hope to experience the radiant and radiating Eucharist that shines into their hearts and into the life of the Church.
